

# FIRE: THE FIRST-YEAR INNOVATION & RESEARCH EXPERIENCE

**FIRE Summer Scholars** is a 4-week engagement for FIRE students. Each week consists of a series of activities that will help you dive deeper into your stream's research and grow as a professional.

## TRANSFORM

**Transform** is a weekly meeting with FIRE. Topics help you start to think more profoundly about your professional story. *About 45 minutes in length.*

## PREP

**Prep** activities happen early in the week. They help you prepare for a discussion with your stream. *About 45 minutes in length.*

## MEET

**Meet** with your stream for a discussion that leverages your efforts from the prep activities and outlines next steps. *About 45 minutes in length.*

## EXPAND

**Expand** on the ideas covered in the prep activity your stream meeting with a follow-up activity. *About 45 minutes in length.*

## REFLECT

**Reflect** on your findings with a second stream meeting to report out on your achievements. *About 45 minutes in length.*

FIRE-wide activities are in **black** and stream-level activities are in **red**.
